MOONSHOT P2:
VolEMS Community Response Program

NEIGHBORS HELPING NEIGHBORS

VolEMS PROGRAM OUTLINE

The Volunteer Community Response will improve overall outcomes by extending the "Golden Hour." The VolEMS mobile phone app serves as a platform to enable community response volunteers. The VolEMS program will be guided by an advisory council of representative members from the community. The volunteer corps of community responders will consist of members of the community with, at minimum, Red Cross Basic Life Saving, CPR, and ACEP "Until Help Arrive" training.

The pilot/beta test will target a minimum of 20-30 community volunteers across the target area.

Data collected as part of the will be to help inform future emergency service health care decisions and implementation strategies.

VolEMS CAPABILITIES AND DISPATCH

- Web Portal/IOS Mobile Phone application: Coordinates Community
- Facilitates notification, response/acceptance, and navigation to the incident
- Coordinates requesting, assigning, and tracking VolEMS Community Volunteers
- Create protocols for emergency care
- Integrated dispatch requires minimal data entry and is web-based, no additional software required
- Collects and reports data
- Provides resource reports on community response to incidents

COMMUNITY VOLUNTEER ELIGIBILITY REQUIREMENTS

- 18 years of age or older
- Valid DL and auto liability insurance
- Background check
- Good physical condition
- Access to iPhone (iOS format required)
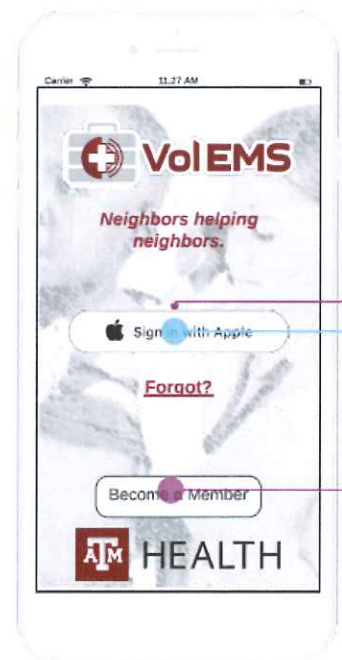

COUNTY COMMITMENTS

- Help Recruit Community Volunteers
- Create Sustainable Training Program
- Coordinate Dispatch
